STATEWIDE MISSIONS OFFERING EMPHASIS

2024 STATEWIDE OFFERING GOAL

\$1.4 MILLION

The need might be in your backyard or down the street. It is definitely in your neighborhood and town. Throughout the state, the need is great. The needs are physical, emotional, financial, but...

The greatest need is Jesus.

Over 7 million people in the state of Georgia need to hear and respond to the gospel, and that number grows every day as people move, resettle, and become our neighbors.

Through Mission Georgia, churches mobilize. We see the needs of our communities, and we work together to meet those needs. We build. We feed. We adopt. We teach. We rescue.

As we serve others, doors open to share the love of Christ and the gospel that changes lives.

In 2025, Mission Georgia's focus continues as we partner in a movement among Georgia Baptist churches that will result in a work of God in the hearts of people throughout our great state.

Your giving makes it possible to go into every region of Georgia, partner with local churches and associations, and serve the people in those communities. As we go together, people will see Jesus.
