Let them see JESUS

STATEWIDE MISSIONS OFFERING EMPHASIS

The Mission Georgia Statewide Offering Emphasis represents the collaborative work of Georgia Baptists to love our neighbors and serve the vulnerable. By mobilizing Georgia Baptists throughout the state in our communities, we share the light of Jesus and truth of the gospel.

Your generosity makes it possible to go into every region of Georgia, partner with local churches and associations, and serve the people in those communities. As we go together, people will see Jesus.
