# MISSIONS

## IN MOTION

**Because Georgia needs the hope and healing of Jesus.**

Across Georgia—from rural communities to busy cities and everywhere in between—there are neighbors in crisis. Some are caught in cycles of poverty. Others are battling addiction. Many live without access to basic healthcare. Families are breaking apart. Children are struggling to find stability. And under it all, the greatest need is still the same: **the need for Jesus.**

More than seven million people in Georgia have not yet responded to the gospel. But through **Mission Georgia**, we're working together—bringing practical help and eternal hope.

**2025 STATEWIDE  
OFFERING GOAL:**

**\$1.5 MILLION**
